IMPORTANT EXPERIENCES

Cision *(Brand measurement and Press Release analytics company)*

Senior Product Designer Consultant (2022-2023)

Responsible for designing interfaces of a complex system, which is used by thousands of users, resulting in an improvement in the user experience and helping reduce 50% user time working.

Sebrae *(A huge company that provides free support to small businesses)*

Senior Product Designer (+HTML/CSS Dev) (2019-2022)

Designing systems, sites, and apps, used by thousands of users, improving their user experience, and applying the digital transformation, and UX strategy.

Oswaldo Cruz Foundation *(A huge Scientific institution for research in Brazil)*

Senior Product Designer (+HTML/CSS Dev) (2018-2022)

I designed the interface of educational complex systems for thousands of medics, improving the user experience, digital transformation, and UX strategy for other complex projects.

United Nations *(Educational, Scientific, and Cultural Organization)*

Senior Product Designer (UX/UI) Consultant (+HTML/CSS Dev) (2012-2016)

I have worked on the "Educação Livre" project (that means "Education Free"). It is a project to provide education to young people that are in social vulnerability, and I was responsible for the whole design process (research, UX design, and visual design)
